

# Our Simple Process

Every order comes with **2 FREE** revisions. We aim to pass over your landing page within **8-10 business days**. Your feedback is crucial to the project completion.

## Content

We will provide you with a Google Drive URL to upload all of your images/content.

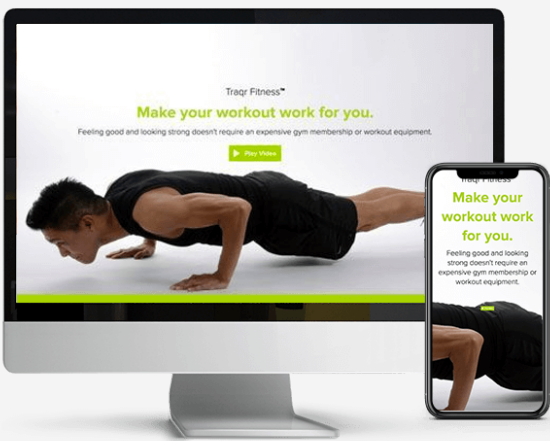

DAY  
**1**

## Design Process

We will provide you with a preview of your landing page. Leave your **first** revision and our team will make all the adjustments.

DAY  
**4**

## Build Process

We will provide you with a URL to your live landing page. Leave your **second** revision and our team will make all the adjustments.

DAY  
**7**

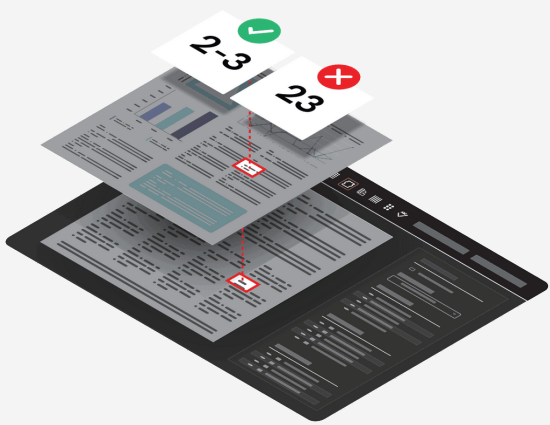

HTML 

## Quality Control

Our team will comb through your landing page from front to back and iron out any kinks we see.

DAY  
**8**

## Final Handover

Our team will handover the final files or manage your migration depending on which package you have selected.

DAY  
**10**
